Tribally Owned by the Pueblo de San Ildefonso

ATTENTION ARTISTS!

Objective/Goal:

San Ildefonso Services, LLC is looking for a new distinctive design that will help us represent the company and the Pueblo de San Ildefonso. We would like the design to “tell a story” and incorporate the traditional values and beliefs of the Pueblo and its people, as well as represent the goals and objectives of the company.

Design/Evaluation Criteria:

75% - Design: Creativity and Originality of a “colorful” Logo.

25% - Meaning: Your logo must be accompanied by a short paragraph describing the meaning of your illustration. No longer than one page for this description.

Five (5) designs will be chosen that will go to a second level of judging where you will be asked to do an oral presentation of your design. The oral presentation will allow the judges to ask questions and get more familiar with your design.

There will be a committee comprised of both company and tribal representatives
