ELECTION COMMISSION

Absentee Voting

The Election Commission (EC) has worked diligently in the past year to develop methods for offering Absentee Voting (AV) to Tribal members as well as working to amend the Pueblo's Election Law. This is a very tedious process with many details involved and there is still much work to be done.

The EC is very devoted to encouraging tribal members to vote in Pueblo Elections and we feel that creating an opportunity for members (who meet certain criteria) to vote via Absentee is important!

The EC is proposing the following AV eligibility for **Enrolled Tribal Members**:

- Age 65 or older
- Homebound Seniors
- Residing Out-of-State
- Out-of-State College Students
- Enrolled in the U.S. Military

In an effort to gain information and feedback from the community regarding the possibility of offering Absentee Voting for Tribal Elections, the Election Commission has developed a survey for participation by Tribal Members who meet certain criteria at this time. We respectfully ask for your participation in this survey to better understand your interest and needs.

To access this survey, use the link provided below:

<https://www.surveymonkey.com/r/5R2CFWF>

We thank you in advance for your time and participation in this survey!

Attention!

**Enrolled Tribal
Members:**

**Are you age 65 or
older?**

**Are you a homebound
senior?**

**Do you live out-of-
State?**

**Are you an out-of-
State College
student?**

**Are you in the
Military?**

If you answered yes to any of the questions above, we would like you to participate in a survey regarding Absentee Voting for Tribal Elections!
