**HAPPY
HOLIDAYS**

Council Meeting Dates

Friday, December 13, 2024 at 12 pm

Dates and times are subject to change.

El Rancho Property

The Administration has received several calls with inquiries to rent the El Rancho Center and we anticipate 2025 will be just as busy as 2024 with Rental Applications/Reservations. Normally, Rental Applications are accepted at the beginning of the year in January and are scheduled accordingly. We would like to make dates available for 2025, with Tribal Members having first priority to reserve. Applications for 2025 will be made available to Tribal Members ONLY, from December 2, 2024 thru December 30, 2024. On January 6, 2025, applications and reservations will be made available to the general public. Please contact Kitty Montoya at 505-455-4101 or governorsassistant@sanipueblo.org, if you are interested in reserving a date for 2025.

Office Closure

All Tribal Offices will be closed on December 24th and 25th in observance of Christmas eve and Christmas Day. Offices will also be closed on December 31st and January 1st in observance of New Years Eve and New Years Day.

Enrollment Office

Tribal ID's

ID's can be done by appointment and/or walk-ins (if available) from 8:30 am to 12pm and 1pm to 4:30 pm. If you are renewing an expired or close to expiring card, they are \$10 for ALL adults. If you are replacing a card that is not expired, they are \$15 for ALL adults. ID's for minors (17 and under) are free. We will accept cash or checks.

New Enrollment

Enrollment Packets can be picked up at the Tribal Admin Building or they can be found on sanipueblo.org. Go to Programs- Tribal Services- Enrollment. Please allow us time to process enrollment packets. Once a decision has been made, you will receive a call from our office informing you of the status of the application.

Current requirements to be eligible for enrollment:

- At least one parent must be enrolled with San Ildefonso Pueblo.
- Applicant must be at least ¼ Indian Blood.
- Cannot be enrolled in another Tribe. If you are, you must show proof of relinquishment process from current enrolled tribe.

Name/Address Change

If you have legally changed your name and would like your CIB or Tribal ID to reflect that change, you must submit a Change Form which can be picked up from the Tribal Administration Office.

If you have changed your address you can fill out that change form as well to ensure our records reflect that update. This will help us better inform you of important things such as tribal notices, distributions, etc.

If you have any questions about Tribal ID's, packets, or anything regarding Enrollment, please contact my office.

WIN Mobile Training Unit Overview

Mobile Training Unit—Why?

- Provides Skilled Trades training in rural and tribal areas that are currently underserved
- Offers an intensive 3-week Pre-Apprenticeship Certificate curriculum
- Provides construction project learning and hands-on practice opportunities
- Brings training to rural communities that lack access to local Skilled Trades training programs
- Operates in remote areas without needing access to wi-fi, water, or electricity
- Helps remedy current shortages of Skilled Tradespersons in the 7 North Central NM Counties

Trainee Benefits:

- Become job-site ready with basic skills in only three weeks
- Receive \$15.90/hour while in training and for 7 additional weeks after employed
- Attain nationally recognized OSHA 10 Safety Certification, along with CPR and First Aid training
- Learn basic construction math, measurement skills, and an overview of all Skilled Trades
- Acquire hands-on soldering, welding, and framing experience
- Required to demonstrate social skills, diligence, timeliness, and ability to learn & follow instructions
- Land a career in the Skilled Trades with great wages and benefits (Wages in the Trades run 70% lower without certification)
- Gain a new direction in life and the ability to support a family and contribute to their communities

Congratulations to Pueblo members, Kierstyn Moquino and Jessica Calabaza, who recently completed their 3-week training with the MTU and will be starting their PAID apprenticeships in the construction trades at B&D Industries (through the IBEW Local 611, electrical union) and at LANL (through the LiUNA laborers union), respectively.

The Pueblo's Education Dept is looking to bring the MTU back to San Ildefonso and is looking for Pueblo members who would like to participate in this PAID, 3-week opportunity to enter the construction trades. If you are interested, please contact the San Ildefonso Education Department at 455-2635 or education.sanip@gmail.com

HOUSING APPLICATIONS

San Ildefonso Tribal Members are encouraged to pick up applications during business hours: Monday, Thursday, and Friday from 7:30 AM to 4:00 PM, and Tuesday and Wednesday from 7:30 AM to 4:30 PM. Applicants can choose between rental and homeownership options. It is important to note that SIHA's goal is to expand its current waiting list for grant applications to improve housing opportunities for Tribal Members. For any questions, please contact Devan Martinez, Housing Manager at the SIHA Office.

Deer Tail Phase II Applicants

The infrastructure is near completion, and on December 13th, 2024, SIHA will meet with the Tribal Council to obtain approval for the Mortgage Process and the distribution of grant funds, which include the Indian Housing Block Grant for closing costs and the Indian Community Block Grant for mortgage buy-down. Upon approved, SIHA can begin the process of moving forward with these homes. In the meantime, please return the Disclosure Form that was sent to your registered address. Additionally, ensure that you have completed your Financial Fitness and Homebuyer Education classes, and arrange a one-on-one meeting with Kenneth Brown from Homewise.

Homeowner Responsibility

As a homeowner you are responsible for the maintenance of your home whether it be preventive maintenance or an emergency. SIHA may assist San Ildefonso Tribal Member Senior Citizens 65 years of age and over with emergency (health and safety) situations. If you are not a Senior Citizen SIHA can assist you in calling a contractor, plumber, electrician or roofer that you will be responsible for the cost.

SIHA is a federal program that operates on an annual grant from the U.S. Department of Housing and Urban Development, the grant is minimal and covers operating cost and minimal maintenance to homes under management. SIHA does not have a Maintenance Department; Mr. Christopher Romero is the only employee who responds to emergency calls of a health and safety issue.

AMERIND INSURANCE

As a reminder if your home is eligible for conveyance or you have received your Quit Claim Deed your insurance under SIHA will expire on **12/31/24**. SIHA recommends you obtain insurance before the expiration date. AMERIND is the only 100% Tribally owned insurance provider in Indian Country. Stop by the SIHA office for an application or visit www.amerind.com for more information.

Christopher Romero, Building Services Manager Update

Please contact SIHA or Christopher Romero at (505) 479-0399 of any major water leaks that you might have within your home such as a leaking sink, bath tub or shower. It has been noted by San Ildefonso Facilities that there has been a good amount of water flowing through the sewer system that is clean, that indicates there are some households that are in a sense losing water because of leaks. All areas of the Pueblo proper that run on Tribal supplied water are the areas where there are possibilities of leaking water. Your help to stop any wasting of water is appreciated. I have also noted in the Pueblo there are Chinese Elm trees growing closely to gas meters and homes. These types of trees can cause major damage to utilities and homes. They have been known to lift foundations and cause major issues. They must be removed and their roots killed so they will not regrow. I am trying to be proactive in resolving issues before they become problems down the road. Thank you.

San I Services Construction projects 2025

Three projects are moving towards being constructed starting early 2025

- 1) Cell Tower at Totavi
- 2) 50kW solar array
- 3) Fiber construction.

We're looking for people interested in helping out with cultural resources monitoring, learning basics of solar installation, and learning installation of fiber and broadband infrastructure.

We will have representatives out from Grid Alternatives, a solar installer, mid December and host the meeting at SIS soon to be open office at 35 Odo Po. We will give a date when it is confirmed

Contact Peter Fant, pfant@sanisvcs.com or Virginia Manion, ymanion@sanisvcs.com if you are interested in any of these opportunities.
