Fire Weather Advisory – Elevated to Near-Critical Conditions

Due to hot, dry, and windy weather, fire danger in Pueblo has increased to near-critical levels.

Community members are asked to:

- Avoid activities that create sparks or open flames.
- Limit use of outdoor power tools during peak heat hours.
- Do not burn trash, weeds, or debris.
- Report smoke or fire immediately to Tribal Rangers or call 911.

Fire restrictions remain in place, and conditions are being monitored.

Thank you for helping protect our land and community.
