

HOMECARE SERVICES AVAILABLE NOW

We introduce our newly hired caregiver, **Anna Yarrow!** She will be on hand and available to the community.

HOMECARE SERVICES MAY CONSIST OF THE FOLLOWING:

- Assist with daily living activities such as bathing, grooming, dressing, toileting, and mobility.
- Provide companionship and engage in meaningful conversation.
- Prepare and serve nutritious meals. Will assist with feeding if needed.
- Perform housekeeping, including laundry, dishes, and tidying up.
- Assist with medication reminders and monitoring health conditions.
- Accompany clients to appointments, errands, and social activities.
- Monitor and report any changes in the client's physical or emotional condition to family or medical professionals.
- Follow care plans and ensure client dignity, privacy, and comfort at all times.
