Governor Moquino and Tribal Council would like to Congratulate tribal member, Barbara Gonzales, on publishing her new book “Shaped By Her Hands: Potter Maria Martinez”. She generously gifted a copy to the pueblo. We hope that the beautiful story told about the life of Maria can reach the hearts of many, from those that knew her to those that are just learning of her.

If you would like to purchase a copy, the book can be ordered from Barbara Gonzales or online at Albert Whitman & Co., Amazon, Barnes and Noble, Books-a-Million, and Indie Bound.

## 2021 Dorothy Hoard Stewardship Award: Myron Gonzales

“Myron Gonzales of Bandelier National Monument was nominated by the Friends of Bandelier to receive the Dorothy Hoard Stewardship Award for 2021.

Gonzales is a member of the San Ildefonso Pueblo. His job at Bandelier is preservationist of the Ancestral Pueblo buildings and Civilian Conservation Corps National Historic District. He not only loves and cares for the land and buildings, but he puts his heart into his preservation activities.

He sees the value and intricacy of a window built in the 1930s and wants to restore it to the beauty it once had. He grieves the irresponsible graffiti left by unthinking visitors. He has two projects in mind to use the \$1000 of the Dorothy Hoard Stewardship Award.

One is an anti-graffiti video to help the public understand how graffiti hurts these cultural sites. Secondly, He has a passion to teach the youth and would like to help the youth, through art, understand their creative abilities.

As a token of their appreciation, The Friends of Bandelier presented Gonzales with a painting by Pablita Velarde. Velarde was born into Santa Clara Pueblo in 1918 and became one of the most accomplished Native American painters of her generation. In 1939, Velarde was commissioned by the National Park Service under the WPA to depict scenes of traditional Pueblo art for visitors of Bandelier National Monument. The painting presented to Gonzales is called the Basket Dance, performed in the spring, and was painted sometime between 1940 and 1945.”

## CONGRADULTIONS MYRON!

### **ECHO food boxes distribution**

The ECHO food boxes will be distributed on Friday June 4, 2021. These can be picked up from 10:00 am to 12:30 pm at the senior center.

### **Outings for Seniors**

A reminder that the Seniors are going on outings!

1. Isotope game Tuesday June 8, leave from senior center by 9:30, those who are vaccinated ride the van, those who are not vaccinated, follow in your own car. You need to get to the Senior Center by 9:15 am. We will not pay for beers at the isotope game, or other food. But we will pay for a late lunch after the game, so if you suspect you will be hungry, please pack a small food box to eat when you arrive at the park or pay for food at the game (I heard beer was expensive). Wear a hat as it will be sunny - no umbrellas. We will pay for parking. Just submit a receipt. We have enough funds for Senior Couples or Senior plus one. I will try to get tickets in the seating section 103 which is behind home plate, but if you have a preference for another place, let me know.
2. Fishing lake will be the next week Friday June 18 from 8-12. Food will be provided and drinks (cold). Prizes for first fish caught, smallest fish and largest fish. Turtles don't count. Senior plus one but NO kids (under 16 is a kid).
3. Restaurant will be the week of June 21-26. I need dates and places to go, so please send in your date wanted and where you want to go. Couples, or Single plus one. Senior budget pays.
4. Chama train ride will be Wednesday June 16. Because of the cost, only enrolled seniors. If you want to bring another, you will need to pay the cost of the ticket. Meet at 7:45 AM to leave at 8:00 sharp. Again vaccinated seniors ride in the van, others drive up. This will be the 10am to 4:05 pm train ride with lunch (free) served at the Osier Station. It will be a coach car. It will be a long day. Make sure you take your pills with you and some water as it will be warm that day. And wear a hat to protect your hair from coal soot if you want to be in the open cars. Bring your camera!
5. Valles Caldera. Still need more people to sign up for this.

I have 10 signed up for the Isotope game already. If you want to go, you need to let me know ASAP.

I have 12 for the Chama trip already, but due to the dates wanted, there may be less going. Please let me know by Friday June 4th if you want a ticket.

## Pueblo de San Ildefonso COVID-19 Safe Practices for Food Vendors

*COVID Safe practices are key to keeping you and the customer safe*

The vendor must provide a written request prior to hosting a Food/Bake sale for consideration to Governor Moquino or a COVID Response team member.

Food/Bake sales are allowed when the vendor/host has completed the IHS Food Handler Online course. The Certificate from the Indian Health Service (IHS) certifies that you have taken the training and passed the quiz. You must provide proof, should you need assistance to obtain certification, contact CHR staff to assist you at (505) 455-4114 or (505) 455-4115.

Customers should be limited to those that are residents of the Pueblo and on site consumption should not be made available. Delivery services can be offered to those that are non-residents.

We strongly encourage that your assistants be fully vaccinated if eligible.

### COVID-19 Safe Practice Guidelines:

1. Ensure your assistants have face coverings or masks. These must be worn in food preparation areas at all times and when present around others.
2. Frequent hand washing and hand sanitizer must be readily available. (The use of gloves does not substitute for frequent hand washing).
3. To support contact tracing, all customers who place orders should record their name & phone number, along with date and time. Records must be submitted to the COVID-19 Response Team the following business day. \_\_\_\_\_ *Initials*
4. Utilize signs and/or floor decals to support 6-foot social distancing.

5. Customers must wear a mask at all times. Offer face coverings in the event a customer has forgotten theirs.
6. Have a clean/sanitized work and food service area at all times. Increase the frequency of cleaning and disinfecting of high-touch surfaces such as doors, counter tops/ordering area and pens, by wiping down surfaces using a regular household cleaning spray or wipe.
7. Establish safety protocols to maintain social distancing for customers. Examples are to allow for ordering ahead, contactless curb-side pick-up, designated pick-up area or home delivery when requested.
8. Arrange for contactless payment if possible. Examples: Facebook pay, Apple pay, Cash app
9. Assistants that handle items used by or provided by customer must wash their hands or change gloves before serving another. *(Cash, pens, credit cards if used)*
10. Clean & sanitize reusable items such as condiment containers. *(Salt, pepper shakers, ketchup, etc.)*

By signing below, I agree to follow the above guidelines and it is also our responsibility to do our part to help keep the community COVID free. We understand that failure to abide by guidelines outlined will above will result in denial of future events. (Note: please take down flyers/posters after your event).
