2020 Year End Report

To: The Pueblo de San Ildefonso

From: Tribal Council

The 2020 year began much as the same. Feast occurred and tribal business resumed. Concentrations of Waste Water Infrastructure, Capital Outlay priorities and projects, second half of the school year was in swing, and other common goals were set between Governor Martinez and Council. As the first quarter progressed, news and reporting began to surface of this highly contagious virus occurring in another part of the World. Suddenly, March 2020, the US, New Mexico and Tribal Governments were touched by the COVID-19 pandemic. Normal life within our community came to a halt. Governor and Council now had to adjust its priority to the pandemic at hand. Proper protocol, procedures and safety measures have and were implemented. As the year progressed, the Pueblo was continuously engaged with federal, state, and local agencies to suppress the ever-changing dynamic of COVID-19. To this date, the entire world is still seeing the effects of this virus and how to navigate through different stages. We had our differences of opinion and tactics, but the safety of the tribal members have always been the priority. As we move forward, we hope to continue to reflect and improve those steps and have balance.

The Council needed and has continued to conduct business essential to Pueblo. The Council had to figure out how to meet safely and finally settled on Zoom meetings and that required legislation passed to allow the Council to use Zoom. We also had to develop protocols to allow members in to Council Meetings held via Zoom.

We have successfully completed Departmental and program reviews, passed and improved sections of an outdated Personnel Policy and supported and assisted the Pueblo's economic ventures. Below are some of the items that were undertaken and will hopefully continue to be priorities in 2021.

Priorities for 2020:

- Master Plan
- Personnel Policy
- Org Chart
- Tewa Language
- Review of current law
- Wage scale
- Enrollment

Master Land Plan- A continual project. Engagement with a reliable and knowledgeable contractor is needed to redo and complete the Master Land Plan in 2021.

The 2019-20 Council worked on the Personnel Policy and passed sections of the Personnel Policy in 2020. The Organizational chart which is part of the Personnel Policy will continue to be a priority for the Executive and Legislative branches. And the Wage Scale will be a project to be completed in 2021. Council worked with the Administration to get a Request for Proposal out to hire a contractor to get the Tewa Language program up and running. The Tewa Language program is in the process of contracting for professional development and planning.

Council did a review of the current Law and Order Code and has suggested corrections for many small errors that have been in the code for years.

The Enrollment Committee met twice this year and much work is needed to revise the old enrollment code due to the Governance agreement specifying which governmental branch has such power.

The 2020 FY budget will carry over to June 2021 and will most likely be modified to adjust for COVID funds and expenses.

The Council worked on the Waste Water project, the Aamodt project as well as other projects.

Council tried to get the Rocky Mountain Youth Corp to come to do work at the Pueblo, and that is still an on going project.

Council has worked as the Education Chair to have a series of public meetings on education, especially in regards to distance learning and students' needs.

Council worked with NPHA and is still working with NPHA for the Pueblo's housing needs.

The following committees have met during the year:

- Education Committee
- Budget Committee
- Business and Economic Development Committee
- Enrollment Committee

Looking forward, there is still much to accomplish to do. We wish the incoming Governor, Council Representatives and Staff the best in the coming weeks, months and years. May they continue to keep the people at the forefront of their decisions.

To the Community of San Ildefonso Pueblo.

First of all, we would like to Thank Governor Martinez, Tribal Council, Ambercare, Rivera Funeral Home, Santa Clara Health Clinic, CHR's, Priest, church officials and Pallbearers. And all whom have helped us along the way.

We, the family, Thank each and every one of you for your kind donations, words of prayer, blessings and most of all your love and support during this time. Also, we thank you for taking time to visit and talk with her during her healthy years.

Philopita, our Mother, Saya/grandmother, Great-grandmother, Aunt was respected and loved by many whom she touched. She was a Mother to our Woman's society and a strong believer in our Native traditional ways of life, by providing advice, support, sharing/singing her Tewa songs and speaking our language. Throughout her early year's she worked with the Senior Citizens center and Senior Companion program as a cook and longtime volunteer to help those in need of home care assistance.

She will be dearly missed and forever be in our hearts. As she has touched so many lives over the years. We will miss her great smile, laughter, stories, humor and love.

A lady of happiness, wisdom, knowledge and full of life...."Povi Po."

May you all be blessed by her beautiful soul.

Pueblo de San Ildefonso January Community Newsletter Information

San Ildefonso Services (SIS) is collecting resumes from Tribal Members for a three contracts we are working on finalizing with the contractor Triad at LANL. It has taken longer than we hoped to get the scopes of services for work in place, but the agreements with Triad are signed. While we will post all openings on our website when they become official, we are hoping to have opportunities that include:

- Admin support
- Financial
- Project managers
- Electrical and Mechanical trades
- Engineers or Scientists
- Equipment operators
- Security Escorts

In January we will be formally meeting with Triad and subcontractors to define scopes of work and we hope to have more information by the end of the month.

Additionally, the C-Stores are continuing to staff up and can still use help with cashiers and line cooks. Salary is \$11/hr to \$13/hr depending on experience.

If interested in any positions mentioned above, send resume or contact Laurence Pena at lpna@sanisvcs.com, Michelle Vigil at mvigil@sanisvcs.com or Peter Fant at pfant@sanisvcs.com or (505) 274-9884 for more information. Thanks!
