Hot News!

Hay Gan Po Water Main Extension is coming!

On June 24th, J&D Contracting Company began construction of the Hay Gan Po Water Main Extension project in the Pajarito neighborhood of San Ildefonso Pueblo. This project will install new water pipelines along Hay Gan Po and Little Bird Road to connect six homes to the Pueblo's community water system. Connecting the homes to the Pueblo's water system will provide the residents with safe, treated water, so that they do not have to rely on their individual on-site wells.

Testing of some of the wells in this area detected arsenic, iron and turbidity at levels that San Ildefonso's Facilities Department was concerned about.

Construction is expected to take about two months.

The project was designed by the U.S. Indian Health Service's (IHS) Santa Fe District Office.

The approximately \$266,000.00 project cost is funded by grants from IHS and the U.S. Environmental Protection Agency (EPA).

DEER TAIL PHASE II

SIHA will apply for \$2 million for new construction of 7 homes at Deer Tail Phase II.

HOUSING APPLICATIONS

San Ildefonso Tribal Members can pick up applications during the business hours of 7:30 AM to 4:00 PM, Monday, Thursday, and Friday and from 7:30 AM – 4:30 PM Tuesday & Wednesday. Applications can also be obtained from SIHA's website at www.sanihousing.org. When applying, you will have the choice to select either rental or homeownership options. It is important to note that SIHA aims to establish a waiting list for grant application purposes, with the goal of expanding housing opportunities for Tribal Members.

If you have any questions, you may contact Devan Martinez, Housing Manager at the SIHA Office.

QUITCLAIM DEEDS

SIHA is currently awaiting the return of 6 signed and notarized Quitclaims. So far, 12 homeowners have received their Original copy. We understand the wait for these documents has been lengthy, SIHA is continuously working to ensure their prompt return to you. We appreciate your attention to this matter to the individuals that have yet to return them.

Maintenance on Private Homes

The maintenance of homes falls under the homeowner's responsibility, and SIHA is not obligated to bear the expenses or provide any maintenance services. Nevertheless, SIHA may offer assistance for *emergency* home maintenance issues related to health and safety during regular working hours, which are from 7:30 a.m. to 3:30 p.m. It is important to note that the homeowner may incur costs as the current operating funding is specifically allocated for units under management. SIHA does not have a dedicated Maintenance Department, Mr. Christopher Romero is the sole employee responsible for responding to emergency calls.

San Ildefonso Housing Authority

Deer Tail Phase II – Update by Christopher Romero, Building Services Manager

As of the week of June the 24th a quick update with where we are at with the Deer Tail II Infrastructure. Sewer lines have been completed and water lines are in the process. I was told that dry Utilities such as electric and gas will be starting soon as well as drainage gutters. There will be a scheduled time for the water lines to be connected to the main and will be coordinated with the facilities department. San Ildefonso Housing Authority was awarded the funding needed to complete Deer Tail II housing development so all is in line to complete infrastructure as needed. CF Padilla is on a schedule as to when each part of the infrastructure proceeds and is on track and time with that schedule. SIHA will provide updates as Deer Tail II continues towards completion. Thank you.

Forest Stewards Guild now hiring for Fall Fire and Fuels Youth Corps positions!

Santa Fe, N.M., June 24, 2024—The Forest Stewards Youth Corps (FSYC) is recruiting for its fall 2024 fire and fuels season, which gives successful applicants entry-level training and on-the-ground experience working on wildfires, prescribed burns, and other natural resource projects. Crews will receive mentorship from Pueblo of Jemez Natural Resource Department employees and Forest Service employees, and will be based out of Mountainair, the Pueblo of Jemez, and Española. This 13-week program is a terrific opportunity for youth ages 18-25 to gain invaluable paid wildland firefighting experience.

Benefits include:

- Wildland firefighting certifications, including L-180, S-212, S-190, S-130, I-100, and I-700 certifications.
- A red card upon the completion of a pack test.
- CPR and First Aid certifications.
- \$19.00/hour with the potential of overtime pay for crew leads.
- \$17.00/hour with the potential of overtime pay for crew members.
- Holidays, sick leave, and cultural pay.
- Free housing in Mountainair, if desired.

Interested candidates can email apearson@forestguild.org for additional information. Learn more about this exciting and enriching opportunity by visiting [the Forest Stewards Guild FSYC webpage](#).

Fall Fire and Fuels Program Job Announcement

The Forest Stewards Guild is hiring crew leads and members in Mountainair, Pueblo of Jemez, and Espanola, New Mexico to work alongside Forest Service and Natural Resource Department employees!

Become a certified Wildland Firefighter while receiving training and getting paid!

Benefits:

- Crews receive wildland fire-fighting certifications including L-180, S-212, S-190, S-130, I-100, and I-700. Crews receive a red card upon the completion of the pack test. Crews receive CPR and First Aid certifications.
- Crew leads receive \$19.00/hr with the potential of OT. Crew members receive \$17.00/hr with the potential of OT.
- Holiday pay, sick leave, and cultural pay available for all crews.
- Free housing available in Mountainair.

What to expect:

The program runs for 13 weeks from Aug. 19th-Nov. 15th. Crews will complete natural resource management projects and participate in prescribed fire operations when conditions and weather permit. The fall program will start with an overnight training at Cottonwood Gulch near Thoreau, NM. For the remainder of the program, each crew will report to their respective duty station. FSYC participants must supply their own wildland fire fighting boots, which must measure 8 inches from heel to the top of the boot, be constructed of all leather, and have lugged soles. All other personal protective equipment will be provided.

Visit foreststewardsguild.org/fsyc/ or follow the QR code above for more information about each position!

Have questions?

Email apearson@forestguild.org for additional information.

FSYC is funded by a long-standing partnership between the NM Youth Conservation Corps Commission, Forest Stewards Guild, USDA Forest Service, National Forest Foundation, and others.
