WELLNESS CENTER GRAND OPENING

10:00 AM | 2 | MAY
FRIDAY | | 2025

San Ildefonso Wellness Center
(Connected to the Gymnasium)

We are excited to announce that we have been successful in securing funds to support the construction of a Wellness Center that includes a new community kitchen, conference/training room, an aerobics room, and a weight room. This facility is a major asset in being able to provide access to comprehensive physical, nutritional, and mental health resources for the community.

Please accept this invitation to join Tribal Council, Administration staff, community members, and myself for an exciting morning as we officially open doors to the Community Wellness Center. We are grateful to all our State, Federal, and Tribal partners whose efforts have contributed to this milestone occasion for our community.

-Governor Christopher Moquino

Pueblo de San Ildefonso Office of Project Management

Hot News!

Honorable Governor Moquino and Tribal Council cordially invite you to attend the Official Dedication of the Pueblo de San Ildefonso Wellness Center on Friday May 2, 2025 at 10AM.

On April 10, 2025 --
Anchor Engineering relayed the keys to
Honorable Governor Christopher Moquino to the new
Pueblo Wellness Center

If you have any questions, please call Lou Baker, AICP, Project Manager (505) 220-0800 or pm@sanipueblo.org

**Are you in need of potable drinking water or a waste water system?
If yes, please reach out to the Office of Project Management or the
Tribal Administration Front Desk for an application.**

Indian Health Service (IHS)
Application for Sanitation Facilities (Water and Sewer Service)

Public Law 86-121 allows Indian Health Services to assist members of federally recognized native tribes to access a potable drinking water supply and a safe means of disposing of wastewater for their home use. You may be eligible if your home meets basic standard of living requirements for example, its insulated, has electricity, indoor plumbing, etc. and your home meets the eligibility requirements of the Indian Health Service.

A completed application consists of the following:

- 1) Tribal enrollment number.
- 2) Signed "Agreement to Participate in IHS Project."
- 3) Proof of your legal right to reside on the subject property
(i.e. copy of lease, deed, or letter from the Tribe indicating you have been assigned the land).
- 4) If the application is for a HUD Home, the home must be paid off before qualifying for the Scattered Housing program.
A statement from the San Ildefonso Housing Authority is required to verify payoff.
- 5) Obtain the signature on the application, of the Governor or Tribal Administrator, to certify Tribal approval of the application.

OFFICE OF NATURAL RESOURCES PARKS AND WILDLIFE UPDATES

Fire Outlook: Above-Normal Risk

New Mexico is entering May with heightened wildfire concerns. The National Interagency Fire Center has issued an above-normal wildfire risk forecast for the state, particularly affecting the western two-thirds. This elevated risk is attributed to several factors.

- **Severe Drought:** the state is experiencing drought conditions, our area is abnormally dry
- **Low Snowpack:** The state received significantly less snow this winter, reducing spring runoff and leaving vegetation drier than usual.
- **Fine Fuels:** Dead grasses and brush from previous years are abundant, providing ample fuel for fires

Community Safety Message: Be Safe Around Ditches and Waterways

As we enter the irrigation season, we ask all community members to please stay safe around ditches and any flowing water sources throughout the reservation.

- Keep children away from ditches and canals. Fast-moving water can be unpredictable and dangerous.
- Never play or swim in irrigation ditches – the current may seem slow on the surface but can be strong underneath.
- Use caution when working near ditches, especially when using tools or machinery. Wet banks can collapse without warning.
- Watch your step. Vegetation or debris can hide steep drop-offs or unstable ground near ditches.
- Stay alert. Wildlife or insects may be present near water, so be aware of your surroundings.

Water is life. Let's work together to protect our people and care for our shared resources by being mindful and respectful near our ditches and waterways.

If you see an unsafe condition, please report it to the Rangers or the Natural Resources Department.

Increased Feral Cattle Activity & Wildlife Concerns

Tribal Rangers have reported a notable uptick in field incidents throughout the month of April, including:

- **Significant Increase in Feral Cattle Activity**
 - Feral cattle have been breaking through fences across tribal lands.
 - Feral cattle have been sighted close to or on the Highways as of late.
- **Increased Fence Repair Efforts**
 - Rangers have been dedicating **substantial time and resources** to fence repairs—**far more than usual**—to contain both feral and domestic animals.
- **Wildlife Theft Incident Report any Suspicious Activity**
 - Rangers have also discovered possible stolen property from tribal lands.
 - This indicates a **disturbing trend of illegal wildlife activity** that is under investigation.

Wildlife near Residential Areas

- There have been multiple reports of **wildlife spotted near housing areas and the Pueblo**, likely in search of **food and water** due to dry conditions and disrupted habitats.
- **Residents are urged to stay alert**, avoid approaching wildlife, and report sightings to the Rangers.

The Tribal Rangers continue to monitor the situation closely and are working to mitigate the impact on land, livestock, and wildlife and the community

PARKS AND WILDLIFE UPDATES (P. 2)

Wildfire & Brush Fire Safety Message

Stay Ready. Stay Safe. Protect Our Land.

With the dry season approaching, the risk of wildfires and brush fires increases. Please help keep our community, homes, and sacred lands safe by following these fire safety practices:

- Do not burn trash or brush without proper permits and notification.
- Clear dry vegetation and debris away from your home, sheds, and fences.
- Avoid using equipment like chainsaws, mowers, or welders during hot, dry, and windy conditions.
- Never leave campfires or cookouts unattended. Make sure fires are completely out before walking away.
- Report suspicious activity or uncontrolled burning to Rangers or Fire Department immediately.
- Have a plan for your family and animals in case of an evacuation.

Fire can start small but spread fast. Let's respect the land, protect each other, and stay alert this fire season. For more info or to report concerns, contact your local Fire Department or Natural Resources Office.

Reporting Animal Incidents & Trespassing on Pueblo Lands

To help protect our community, sacred lands, and animals, all community members are encouraged to report any animal-related incidents or trespassing concerns. Your reports help Tribal Rangers and Animal Control respond quickly and effectively.

WHAT TO REPORT:

- Stray or aggressive animals, Trespassing livestock or pets, Animal neglect, abuse, or abandonment, Injured or sick animals, Illegal hunting or poaching, and Suspicious activity involving animals or trespassers

HOW TO REPORT:

1. Contact Tribal Rangers or Animal Control directly.
2. Submit a written or digital report via tribal office or email.
3. For emergencies, call tribal emergency services.

WHAT TO INCLUDE:

- Date and time of incident, Exact location (road, address, or landmark), Description of animal(s) or people involved, Details of what happened, Photos or videos (if safe to capture), and Your contact info (optional but helpful)

WHY IT MATTERS:

Your reports help us:

- Enforce tribal laws, Protect sacred areas and property, Ensure animal welfare, and Keep our community safe

If you see something, say something.

Every report matters. Working together keeps the Pueblo safe and respectful for all.

PARKS AND WILDLIFE UPDATES (P. 3)

2025 Irrigation Season Summary and Ditch Cleaning Schedule

Summary of what to expect for the upcoming 2025 irrigation season on the reservation, including important updates, what to expect during the season, and scheduled ditch cleaning dates.

Key Updates for the 2025 Season:

- Irrigation scheduling will be coordinated with the Natural Resources Department to ensure fair access to water for all farmers.
- Water flow will be monitored weekly to address any issues with blockage or shortages.
- Increased attention will be given to ditch maintenance and user responsibilities to support water conservation and flow efficiency.
- Two non-tribal users (Nick Carr and Bruce Duran) with water rights will be included in coordination for ditch use.

What to Expect:

- Scheduled use of water by individual farmers to prevent overuse or conflicts.
- Regular inspection and clearing of debris from ditches by assigned teams or individuals.
- Coordination with Rangers and Natural Resources staff for any issues or needed support.
- Community updates and possible meetings if drought or low water conditions occur.

Scheduled Ditch Cleaning Dates:

- **May 3, 2025**
- July 12, 2025
- October 18, 2025

Community participation is highly encouraged on these dates to ensure our ditches remain clear and functional.

For questions or concerns about ditch use or the irrigation schedule, please contact the Natural Resources Department or speak directly with the Rangers. Your involvement is key to a successful and sustainable irrigation season.

Recycling Tips!

Do Recycle all that *junk mail*. Nearly all junk mail is recyclable so clear that clutter while also recycling. Even better, decrease or even stop all that junk mail by emailing those companies and asking to be removed from mailing lists.

Don't toss plastic shopping bags into recycling. These can clog up the recycling system and again cause more waste. Single-use grocery bags can be turned in at most shopping store entrances to be properly recycled. Better yet, make the move to sturdy reusable shopping bags instead of disposable plastic ones.

WE DO NOT TAKE TIRES or OIL

Please contact Transfer Station Attendant to help find a place to dispose.

WHY WALK, BIKE OR ROLL?

It's fun! The thrill of riding a bike for the first time or walking or rolling to school creates a feeling of joy and independence—a sense of adventure—that doesn't fade. Of course, there are many other benefits to walking, biking or rolling to school, too.

Active trips to school enable children to incorporate the regular physical activity they need each day by forming healthy habits that can last a lifetime. Regular physical activity helps children build strong bones, muscles and joints, and it decreases the risk of obesity. walking/biking is a great way to prevent chronic diseases, such as diabetes, heart disease, cancer and stroke.

Summer Cultural Site Visits to Begin Again

We will be visiting San Ildefonso cultural sites again this summer and early fall and I am asking for recommendations of where you would like to visit. People have asked that we return to Naka'mu and Tsirege as well as visit Navawe'i and Perage. We will be including Saturday visits this summer and fall. I look forward to hearing from you about where you would like to visit.

School for Advanced Research, Indian Arts Research Collections Review Project Invitation.

Have you ever wondered about museum collections and how and why they left the village? Have you ever looked at museum collections and wanted to correct and add community and family information? I am excited to share that San Ildefonso has been invited to have this opportunity!

Santa Fe's School for Advanced Research, Indian Arts Research Center has invited San Ildefonso to participate in their Collections Review Program. The IARC includes over 800 primarily historic (1700-1930) pottery and paintings. During this five-year project all community members are invited to participate –you don't need to be an artist. There is artistry and meaning in everything!

Over the next five years, small groups from San Ildefonso will spend a day or more in the collections providing information to IARC staff that can become part of their permanent collection records. The information will add, correct, and expand existing information, returning San Ildefonso understanding and voice to the collections. Working through the collections will most certainly will most certainly transform the value and meanings of the pottery and paintings for the community.

If you are interested, please send me a text or email.

Spring Arts & Crafts Show

We would like to give a big “Thank You” to our Pueblo’s artists, Corey Gonzales, his family and our Community for a successful arts and crafts show, held on April 12, 2025. We had many people say that they were happy and excited about the event and its’ beautiful artwork and baked goods.

We would also like to say “Thank you” to our fellow staff members for continuing to support the Tourism department.

With much respect and gratitude,

Denise & Harold
Visitor Center Staff

Signs, Balloons and Banners

As a reminder, as many people are having special events, food sales and celebrations, posters, banners and balloons are being put up. Please take the time to take them down after your event is over, this will help keep our Pueblo clean and beautiful.

HOUSING APPLICATIONS

The San Ildefonso Housing Authority is still accepting applications to develop a more extensive waiting list to address the housing needs within the Pueblo de San Ildefonso, and we need your help! We encourage Tribal Members to visit the SIHA Office during business hours to collect an application. This waiting list is essential for SIHA to pursue grant opportunities and to assess housing needs effectively. If you have any questions, please contact Devan Martinez, Housing Manager, at the SIHA Office.

Deer Tail Phase II Leasing and Mortgage Update

On April 7, 2025, the SIHA Board of Commissioners approved Resolution No. 2025-08 regarding the Home Mortgage Assistance Program. SIHA staff met with Homewise on April 28, 2025, to collaborate the available grant funding SIHA has for qualified applicants. In order to advance to this phase, applicants must complete the Financial Fitness and Homebuyer Education classes, schedule an individual financial counseling session, and sign a Disclosure Form through Homewise, if you have not yet done this, please contact Homewise ASAP. SIHA will be providing applicants more information soon. We thank you for your patience and understanding in this process.

Deer Tail Phase II Applicants - HOMEWISE

UPDATE on credit pulls: Homewise can now use “soft pull” credit reports for clients in coaching to seek a mortgage loan pre-approval. Once under contract on a new home and working with a loan officer, there will be at least one “hard credit pull”. A soft pull doesn’t count as an “inquiry” on a credit report and doesn’t affect your score. A hard pull is an official inquiry and will show on your list of recent inquiries with each credit bureau and may take 3-5 points off your credit score- most people get these points back within 30-60 days which is 1 to 2 credit cycles. Having a credit check is industry standard when seeking a loan and a necessary part of the process. Please reach out with any questions to Rachael Gilman via email at rgilman@homewise.org or by phone (505) 955-7028.

SUCCESSOR FORMS

SIHA highly recommends tribal members complete and submit a *notarized* Successor Form to be included in your file. Although it may be difficult to consider your own passing, it is essential to have a clear record of the individual(s) you wish to inherit your home. Keep in mind that your Successor must be a Tribal Member of the Pueblo de San Ildefonso. ***Please see the attached Successor Form.***

Paid Solar Training with GRID Alternatives National Tribal Program

PAID SOLAR INSTALLATION TRAINING

- On the job training opportunity with Tribal Energy Alternatives (a GRID Affiliate) in the Pueblo of San Ildefonso.
- **Get training in solar installation for \$22 an hour, 40 hours a week beginning July 7th for 4 weeks**
- Qualifications: Ability to lift around 50 lbs, must have reliable transportation. Pueblo of San Ildefonso enrolled tribal members preferred.

Scan here for more information or email:
stinsley@gridalternatives.org

June through August, 40 hours/week for 4-8 weeks (finalizing the construction schedule now). Great summer job!

\$22/hour

The Pueblo of San Ildefonso Services and GRID Alternatives are working together to install solar at the Pueblo! We will install a new ground mount solar installation in the field across from the DECP/Council building and an array on the covered structure at the Wellness Center. The new solar arrays will offset around 80% of the electricity for those two buildings, and will save the Pueblo \$10,000 per year on electric bills over the lifetime of the system (25 years). The clean energy delivered will offset the equivalent of 60 metric tons of carbon dioxide per year, which is equivalent to the emissions from 2,500 gallons of gasoline!

San Ildefonso Pueblo was awarded 100% of the funding for this project from the Tribal Solar Accelerator Fund.

BLACK MESA BEHAVIORAL HEALTH

WELCOME OUR NEW TEAM MEMBERS

Carlos Martinez serves as the Black Mesa Office Manager for Serna Solutions LLC and has been a resident of Espanola all his life. He is proficient in Hospitality and possesses over 20 years of experience in Customer Service, including being a Department Head at the Ojo Caliente Mineral Springs and the Santa Claran Hotel & Casino. Mr. Martinez has worked at Valle del Sol in Espanola and has a passion for serving and giving back to his community.

Izabella Conforti, LMHC

Hi, I'm Bella, and I'm a clinical therapist here at Serna Solutions. I hold a Master of Arts in Clinical Mental Health Counseling and a bachelor's degree in psychology from McGill University. Although I left New Mexico to pursue my education, I always knew I wanted to return home to now support the well-being of the people and communities close to where I grew up.

My approach to counseling is person-centered, compassionate, and grounded in the belief that every person deserves to be met with respect and without judgment. I believe in creating a therapeutic space where clients feel safe, seen, and supported as they move toward healing and growth.

I come to Serna Solutions with experience in hospital-based chemical dependency treatment, where I worked with patients navigating substance use and co-occurring mental health challenges. That experience deepened my commitment to showing up for people during some of the most vulnerable and transformative times in their lives.

My clinical practice emphasizes cultural humility, collaboration, and trauma-informed care. I'm passionate about supporting clients through life transitions, healing from trauma, and strengthening the resilience they already carry within them. I feel especially honored to work with the San Ildefonso Pueblo community. It's a privilege to walk alongside people as they navigate challenges, explore change, and reconnect with their strengths.

Greetings, we recently had a helpful conversation with community about the topic "DO I NEED THERAPY"? I hope we can be curious about what can be helpful in learning more about ourselves. This is a quick quiz for your personal information and only takes about 3 minutes.

DO I NEED THERAPY QUIZ

We can all benefit from therapy, we do not have to have things go wrong, don't need to "get in trouble", we can just be open to improving our personal life experience!

PLEASE LET US KNOW HOW WE CAN BE HELPFUL.

STOP BY OUR OFFICE.
